Application Process

For external (non-AISC) students

If you are interested in attending, please electronically submit the following application to stanfordsummer2016@aisc.ac.cy by April 20, 2016:

1. A letter addressed to the American International School in Cyprus (AISC), outlining why you would like to attend Stanford's Summer Institute and how you will positively and constructively contribute to the summer program by specifically describing
 - a. Your interests and attitudes toward learning
 - b. Your attitude towards the life and culture of others that may be different from your own, and
 - c. How you demonstrate an active and vocal appreciation for differing view points and perspectives.
2. Two (2) of your best academic work samples – it could be an essay, research paper, project, lab report, presentation or something creative and innovative, that you feel best represents your abilities as a student.
3. Two (2) Open Teacher Recommendation Letters.
4. A review of your report cards for past 2 years.
5. A review of your externalized testing scores.
6. A 30-minute interview with AISC's Senior Leadership Team.

The AISC Leadership Team will review the data points above, and select students who demonstrate academic preparedness and a willingness and curiosity for learning. For queries and information requests, please email stanfordsummer2016@aisc.ac.cy.
