# Your Excellency

Greetings from Sharda University & Sharda Hospital! We thank you for providing us your time and consideration. With this call for applicants I wish to introduce Sharda Group and Sharda University and invite students from your respected country to submit their applications for the Sharda University Ambassador Scholarships 2021 - 22.

## SHARDA GROUP- 23 YEARS OF AN UNPRECEDENTED JOURNEY OF EXCELLENCE.

For over two decades, Sharda Group has been leading the way in education, healthcare and information technology through Sharda University, Sharda Hospital and Sharda Tech. The Group is on a vertical tangent of growth spearheaded by Mr. PK Gupta who lives by the treatise – It takes a vision to change the game. It is the largest education group in northern India with 20,000+ Indian students & 2000+ International Students studying in 4 campuses spread over 200 acres of land and 4000 employees with 47500+ alumni worldwide. Through Sharda Hospital, the Group has been offering world-class medical care at affordable cost to the common man, while Sharda Tech offers a one stop shop, right from its digital marketing campaigns to innovative IT applications.

## SHARDA UNIVERSITY - INDIA'S TRULY GLOBAL UNIVERSITY

Sharda University has over the years become one of the leading centers of education, research and innovation in Delhi NCR region. A venture of the renowned SGI group, the University has established itself as a high quality education provider with prime focus on holistic learning and enhancing student's competencies. The University's goal is nurture brilliant brains that will go on to become leaders in their chosen field. Sharda University is No. 1 Private University in India in terms of Academic Excellence and higher number of International students as per the last Association of Indian Universities (AIU) 2017 survey report.

Established through an act of State Legislature of Uttar Pradesh (14 of 2009), Sharda University offers 216 UGC recognized Bachelor, Master, and PhD programmes in Engineering, Management, Medical, Dental, Integrated Law, Architecture, Design, Journalism & Mass Communication, Computer Applications, Basic Sciences, Nursing, Biotechnology, Food & Technology, Pharmacy, Physiotherapy, Paramedical, Education, Languages, Animation, Agriculture, Visual Arts and Stem Cell & Cancer Biology. The most valued resources of Sharda University are its intellectual capital. Distinguished academicians from the best institutions and leading professionals from the corporate world form the core faculty at Sharda. The faculty have been sourced from renowned universities of USA, UK, Canada, Greece, Singapore, Japan, Russia, etc.

At Sharda University, students are exposed to the latest and futuristic industry endorsed curriculum in line with the best practices followed by leading global universities. To give students a global exposure, Sharda has tie-ups with 250+ universities and institutions across the globe including University of Illinois (USA), Heriot Watt University (UK), University of Missouri (USA), University of Plymouth (UK), Curtin University (Australia), University of Western Ontario (Canada), Financial University (Russia), Beijing University (China), University of Applied Sciences Bremerhaven (Germany), Computer Engineering Institute of Limoges (France), National Polytechnic Institute (Mexico), and University of Cordoba (Spain) among others. This gives students a chance to go on student exchange, pursue a semester abroad or get credit transfer. Sharda University also offers students a unique opportunity to pursue a semester abroad at zero tuition fees at top ranked foreign universities. Students are charged absolutely nothing and gain a lot by way of global exposure to educational practice. This adds weightage to their profile and gives an edge during recruitment.

Sharda University benchmarks its campus with leading universities across the world. Spread over 63 acres, Sharda offers hi-tech labs, well stocked central library, AC classrooms with latest teaching aids, 1000+ bedded multi-specialty hospital and facilities for indoor and outdoor sports. All this makes it a University that truly gives an international education experience.

## INTERNATIONAL STUDENTS
