[PROMOTION](#)

This Three Rs MOOC Rerun is coordinated by European Schoolnet (EUN), as part of a project to promote alternatives to animal testing and the Three Rs through education initiated by the European Commission's Joint Research Centre and supported by the European Parliament. The MOOC is based on the EC-funded Learning Scenarios developed by EUN (www.eun.org) in the context of the Three Rs Pilot project that took place between 2019-2020. The MOOC is also supported by Scientix, funded from the European Union's H2020 research and innovation programme - project Scientix 4 (Grant Agreement N. 101000063). The content is the sole responsibility of the organiser and it does not represent the opinion of the European Commission (EC), and the EC is not responsible for any use that might be made of information contained.
