**Proven examples of the use of AI
for learning assessment**
Call for proposals

Dear partners,

UNESCO is pleased to announce a **Call for proposals on the use of Artificial Intelligence (AI) for learning assessment**. We are inviting organizations and individuals to showcase proven examples of effectively utilizing AI in different types of assessments, including formative assessment, summative assessment and high-stakes exams. This call aims to investigate the effectiveness of employing AI technologies in these assessment processes, emphasizing ethical data usage and safeguarding human agency.

Selected submissions will have the opportunity to present their work during UNESCO's events, including Digital Learning Week 2024 and other UNESCO conferences on AI and education. Additionally, they may be acknowledged and documented in UNESCO's published case study reports.

Proposal submission deadline: COB 6 November 2023, Paris time

Inquiries: Contact us at aiied@unesco.org

Click here to apply

Proposals will be reviewed on a rolling basis and selected submissions will be notified via email in due course.

We look forward to receiving your proposals!

Best regards,

Unit for Technology and AI in Education
Future of Learning and Innovation Division
