TEACHERS FORUM of the European Schools 2025

Monday, 07 APRIL – Tuesday, 08 APRIL
Nicosia, Cyprus

Organized under the auspices of the Cyprus Presidency of the European Schools (2024-2025)

CONTEXT AND GENERAL OBJECTIVES

The Teachers Forum of the European Schools (TFES) is an initiative that was launched by the Italian Presidency of the European Schools (2023-2024) in April 2024 in Parma, based on the recommendation of the European Parliament's Committee on Culture and Education. TFES provides an opportunity to unite national education systems with the European Schools System (ESS), allowing educators from both to share and exchange best practices and innovative teaching experiences on common subjects of interest.

SPECIFIC OBJECTIVES

In accordance with the motto of the Cyprus Presidency, «ΔΡΑΞΑΣΘΕ ΠΑΙΔΕΙΑΣ» (DRAXASTHE PAIDEIAS | *en.* "Seize Education"), teachers and other stakeholders will have the opportunity to exchange best practices and innovative teaching ideas during the Teachers Forum of the European Schools 2025 (TFES2025). Within the framework of the following educational priorities of the Cyprus Presidency, TFES2025 will be a place to share these "Ideas Worth Seizing" through dedicated workshops and a Teachers Exhibition (see Call for Applications [here*](#)):

- (1) Improving the quality of the working environment and teachers' level of wellbeing;
