## PRESS RELEASE

### Family Concert **A SOUND THAT GOT LOST, A BULL, A RABBIT AND A TURTLE** Addressed to children of ages 7 and above

A double bass, a violin and a narrator will tell you three fascinating musical stories! A unique concert for children of 7 years old and above and their families, will be given in Nicosia: on Saturday 12 March 2016 at the Pallas Theatre, Paphos Gate, 11:00.

A little sound got lost in the wild, dark forest. The other sounds are searching for him... Will the little sound find its way back to them? While the other young bulls show off their strength and bravery, Ferdinand the bull prefers to sit quietly under the shade of a beech and smell the flowers. A rabbit and a turtle agree to race each other. The narration of Aesop's well-known myth is accompanied by melodies from popular classical works by Rachmaninov, Paganini, Schubert, Saint-Saens, Mozart and other composers, arranged by Alkis Baltas.
